

PROJECT PROFILE

Northern Alberta Urology Clinic (Canada)

Client

Delnor Construction and Alberta Infrastructure

Project

The \$40 million Northern Alberta Urology Centre opened in 2016. The centre provides state-of-the-art urology care. The facility includes;

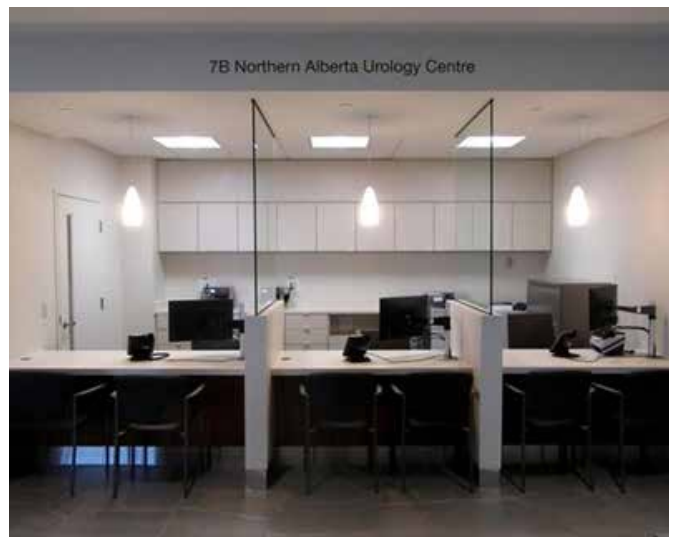

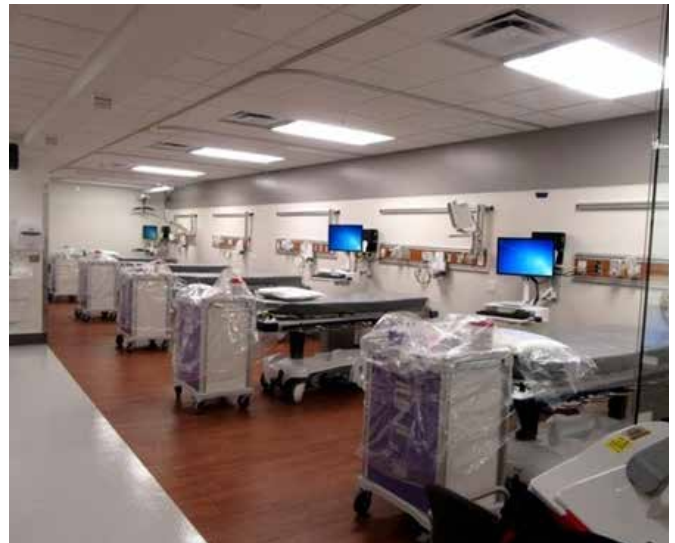

- General and procedure rooms
- Prostate health clinic exam rooms
- Lithotripsy and urodynamic procedure rooms
- Cystoscopy and biopsy rooms
- Research, academic and office spaces

Scope

- OmTrak Documents, O&M Manuals
- OmTrak Siteworks
- Training and Support

Value Added

One central system to efficiently manage construction, assets and defects. OmTrak was primarily utilized to provide enhanced project hand over documentation accuracy and was integrated with existing client FM systems.
